

UNIVERSITY of WISCONSIN
La Crosse

It has been my pleasure to have the excellence of Open Sesame's Rone and Gigi appear during our gala University of Wisconsin-La Crosse clown celebrations each of the last three years. We host clown arts performers from throughout the world at our annual Clown Camp program. I can, with no reservations, say that the Open Sesame performances we have had are without equal. No other group is as entertaining and funny as this fine ensemble of artists. Their skills are without equal in the United States.

This past summer we utilized Rone and Gigi as instructors at our program. They were immensely popular and they did an outstanding job. As physical comedians they are tops, and they have the ability to break down their skills and teach them to others.

The personalities of these great artists have made them a treat to work with. I can not recommend any group more highly for anyone seeking a highly professional company of performers that bring joy and happiness to their audiences.
